

Gordonton School

Olympics Day

Wednesday 10th August

11:15am - 2:45pm

Dear Parents / Caregivers

With the Olympics well under way, we think that it's Gordonton School's time to shine! So we have set up and organised our own personalised version of the Rio Olympics.

For this, the whole school will be participating in a series of games and activities including tug o war, gymnastics and many more exciting things to try.

All students will be placed into countries and your child/ren may dress up into their country colours.

Points will be given for the following events, chants, best dressed, fair play, respect for others and the winning team.

You are invited to support and cheer on your child/ren and their country!

Keep an eye out for information regarding the country your child will represent later this week. We look forward to seeing you at the games!

Thanks,

The House Leaders & The Student Council

MILO MADNESS

Dear Parents / Caregivers,

Hope you all have had a great term so far.
Sorry you haven't heard from us in a while, we have been busy
sorting out, the next big thing...
Introducing Milo Madness!
We know this has been around a while but we decided that it
was time to formally introduce it properly.
This will take place every Friday before school in the hall.
Each cup is priced at \$1 dollar. This will include a marshmallow
too!

Thanks Heaps,
The Student Council
